

nurturing future leaders in the heart of local communities

young professionals program

Medha's young professionals program (YPP) is a unique opportunity to gain hands-on experience in the growing field of employability education. Working with one of the leading social enterprises in the country, young professionals will complete a management training program and immediately be responsible for the operations of a Medha centre.

YPP gives aspiring entrepreneurs, educators, and business and social development professionals the opportunity to build their leadership, management, and operational skills while working to close the education to employment gap plaguing the country.

primary responsibilities

- ▶ Student counseling and training
- ▶ Employer relations
- ▶ Monitoring and evaluation
- ▶ Management and business development
- ▶ Financial planning and budgeting

essential qualifications

- ▶ Undergrad degree
- ▶ Interest in working with youth
- ▶ Willingness to live and travel in small cities/towns
- ▶ Fluency in Hindi and English

compensation & term

Medha offers competitive compensation & benefits, commensurate with experience and cost of living. YPP is a one year program with possible promotion after completion.

about medha

Medha is an award-winning social enterprise that improves employment outcomes for youth in India. It delivers a training and internship program to students on campus that connects them with the job market. Medha is supported by leading global foundations and corporations and its founders were awarded the prestigious Echoing Green Global Fellowship. Medha is based in Lucknow, Uttar Pradesh and is registered as a not-for-profit company in India (Section 25) and the US (501c3).

fundes & supporters
