PEHLI UDAAN

*Start the career
of your dreams*

Pehli Udaan is a **6-hour workshop** for college students to discover their interests, make the right career plan, and find the best work opportunities for them.

With Pehli Udaan, students will better start their career journeys as they:

Feel more confident in their strengths and skills,

Get clarity about the right career path for them,

Learn about job search tools and steps to kickstart their career journeys.

The workshop is divided into 4 parts:

- 1 Play by your strength**
Recognize your potential by learning about your strengths and weaknesses.
(2 hours, Physical)
- 2 Discover your career path**
Get clarity about the best career goals for you and make an effective resume.
(1 Hour, Virtual)
- 3 Crack that interview**
Practice with experts to showcase your skills confidently during interviews.
(1 Hour, Virtual)
- 4 Master your job search**
Learn about professional networking sites and portals to simplify your job search.
(2 Hours, Physical)
